### **2006 Lexus RX 400h Specs, Price, MPG & Reviews | Cars.com**

2006 Lexus RX 4dr SUV AWD Although it is a 2006 it still is nice and luxurious! I have had absolutely NO issues with it, and the one thing that bothers me about it (a cracked dash) is under recall. It has been completely reliable at currently 150,000 miles. I like that it has a sporty body style

and the gas is responsive!
