*Review: A companion to reality television*

~~A Companion To Reality Television~~  
International in scope and more comprehensive than existing collections, *A Companion to Reality Television* presents a complete guide to the study of reality, factual and nonfiction television entertainment, encompassing a wide range of formats and incorporating cutting-edge work in critical, social and political theory.

~~A Companion to Reality Television by Laurie Ouellette ...~~

It addresses the notion that reality television is part of a “postracial” media landscape in the United States. The chapter discusses the extent to which reality television borrows from and depends upon racial conventions and constructions from other genres: news, talk shows, sitcoms, and soap operas.
