Resources linked from this page may no longer be available or reliable. The Knowledge Base (KB) is an online collection of over 18,000 documents (approximately a third are active).

Very basic introduction to Sweet Home 3D | GREOLE

OK, the answer is 6, right? Because $6 - 2 = 4$. Easy stuff. Well, in Algebra we don't use blank boxes, we use a letter (usually an x or y, but any letter is fine). So we write: It is really that simple. The letter (in this case an x) just means "we don't know this yet", and is often called the ...
