These notes from the field explore the author's reflections on contemporary debates around the 1965 Indonesian mass killings, using two documentary films, The Act of Killing and The Look of Silence, as an entry point. The article contextualizes, criticizes, and expands the narrative of these films.

Acts of Violence - Wikipedia

SILENCE. The state of a person who does not speak, or of one who refrains from speaking. Pure and simple silence cannot be considered as a consent to a contract, except in cases when the silent person is bound in good faith to explain himself, in which case, silence gives consent. But no assent will be inferred from a man's silence, unless,...

The Three-Act Structure

The Look of Silence (Indonesian: Senyap, "Silence") is a 2014 internationally co-produced documentary film directed by Joshua Oppenheimer about the Indonesian mass killings of 1965-66. The film is a companion piece to his 2012 documentary The Act of Killing. Executive producers were Werner Herzog, Errol Morris, and Andre Singer.

The Look of Silence - Wikipedia

Valera taking a vow of silence makes for some interesting challenges as the film is forced to silence its star and the biggest marquee name on the project. Formerly (and superiorly) entitled Stoic, this is a film that's more or less about Banderas becoming a warrior monk and solving the murders of his wife and child. The solving of the mystery is so telegraphed as to be almost humorous, so there's little tension there.

An Act of Silence is an unputdownable and gripping book that I also found utterly heart wrenching at times. And as the years flew past so quickly here on the pages, it was also a reminder that the past can never be revisited and a badly chosen word or act can have devastating consequences that can never be forgotten but can hopefully be forgiven.

This is an incredible album to listen to. Unlike its predecessor, Silence is soft, soothing, catchy, melodic and most importantly SUPER COOL! I found ACT just a few years back when Last Epic was released that was just an eye opener for me as ACT is band of multi musical genre blending progressive elements with aor melodic rock.

But the 3-act structure is a highly accepted and greatly successful method. In a nutshell, the 3 acts are labeled as: Act I: Setup. Act II: Confrontation. Act III: Resolution. Some people like to call them beginning, middle, and end, which is not inaccurate. The point of the acts is to make sure that the story evolves and the stakes get higher.

When someone makes you an offer and you do not respond to it, you normally will not be bound to a contract. Your silence is generally not considered an acceptance if you do not truly intend to accept. This is generally true even if the person making the offer specifically says that your silence is considered an acceptance.
