Stone Age (c. 50,000 – c. 500 BC) By about 30,000 BC, the Negritos, who became the ancestors of today's aboriginal Filipinos (such as the Aeta ), probably lived in the archipelago. No evidence has survived which would indicate details of ancient Filipino life such as their crops, culture, and architecture.

**10 aspects of Filipino culture I just can't seem to escape**

In many parts of the country, the culture of the Old Stone Age went on specially where there was less contact with other peoples or less pressures from within the society and the environment. In other areas, changes in the way of the life of the people took place when a new idea is introduced into the society or the people themselves develop ...

**Filipino culture and values - SlideShare**

The Philippine culture is a people filled with a vibrant culture and rich history. The country was originally habited by the Melanesians. These people have a rich cultural preservation though they presently exist in very few numbers. The Malayo-Polynesians inhabited the lands much later.

Philippines - Philippines - Cultural life: Philippine society is a unique blend of diversity and homogeneity. Although geographically part of Southeast Asia, the country is culturally strongly Euro-American. Forces of assimilation have constantly worked to overcome cultural differences between the various ethnic groups that are scattered—sometimes in relative isolation—throughout the ...

**Prehistory of the Philippines - Wikipedia**

The culture of the Philippines is a combination of cultures of the East and West. Filipino identity was created primarily as a result of pre-colonial cultures, colonial influences and foreign traders intermixing and gradually evolving together.

**GLANCES: Prehistory of the Philippines - National ...**

The name, 'The Philippines' is a legacy of Spanish rule, which began in the 1500's and ended in 1898 with the Spanish-American war. The Philippines fought on the American side with independence as the goal, but was instead purchased by the US in 1898. The Philippines finally gained full independence in 1946.

**Aspects Of Philippine Culture Prehistory**

The prehistory or even the history of the whole Philippines is actually the individual histories of the various ethnic groups that comprise the entire population. The prehistorian merely glosses over the landmarks through time that depicts progressively developing events. The Paleolithic Culture; The

The tsinelas at all times. If you go to another Filipino's home, you'll find various pairs already waiting for you at the entrance: flips flops, straw sandals, or slip-on house shoes. Now, wearing slippers isn't really my thing. But as soon as I take off my shoes, I can see Grandma glaring at my awkward tsinelas-less feet as they walk away.

The cultural achievements of pre-colonial Philippines include those covered by the prehistory and the early history (900-1521) of the Philippines archipelago's inhabitants, the indigenous forebears of today's Filipino people. Among the cultural achievements of the native people's belief systems, and culture in general, that are notable in ...

### **Culture of the Philippines - Wikipedia**

The nature of religion in the pre-colonial Philippines is often unclear. Religions present include animism, indigenous religious beliefs and mythologies such as Anito and influences from Hinduism and Buddhism. The earliest pieces of evidence that exist are archaeological finds including Hindu-Buddhist gold statues. The earliest written evidence comes from the Laguna Copperplate Inscription, dated to around 900 CE, which uses the Buddhist-Hindu lunar calendar. With the arrival of Islam in ...
