Combi ovens are extremely versatile since they can be used to steam, bake, fry, and poach. By outfitting your oven with a combi oven stand and other accessories, you can be sure you're making the most of your equipment. A stand will ensure that your oven is easily accessible by raising it to a comfortable height.

placing food in the oven or removing it and when adjusting oven shelves etc. in a hot oven. Take care when putting cooking pans into the oven or removing them not to spill the contents. Do not heat up food in closed containers e.g. tins or sealed jars in the steam oven, as pressure will build up in the container, causing it to explode.
