Mastering Physics is the teaching and learning platform that empowers you to reach every student. When combined with educational content written by respected scholars across the curriculum, Mastering Physics helps deliver the learning outcomes that students and instructors aspire to. Learn more about how Mastering Physics helps students succeed.

Book Bank - Future Physics - Google

If the temperatures used are within 10°C or so of the surroundings, the inaccuracy is unlikely to be significant compared to other school laboratory errors. However, if you really want to make the correction, a number of methods can be used, all based upon Newton's law of cooling.

Mastering Physics | Pearson

Dr. Loyd received a Ph.D. in Physics from Rockefeller University, under the supervision of Professor Heinz Pagels. Dr. Loyd was a postdoctoral fellow in the High Energy Physics Department at the California Institute of Technology, where he worked with Professor Murray Gell-Mann on applications of information to quantum-mechanical systems.
