Free scuba diving manuals and tables for both recreational and professional divers. All are free to download. Always consult with a qualified scuba professional before using any of the material.

SSI Drysuit Diver—All About Scuba

use information in this manual and follow the suggestions carefully. Important note! Drysuit diving can add immensely to the comfort, enjoyment, and safety of cold water divers. But while drysuits are easy to use, like any piece of diving equipment they require instruction in proper use and safety procedures.

SSI Scuba - Scuba Schools International. SSI is the biggest store-based scuba-training agency in the world. This means that every SSI instructor or professional must be an affiliate of any of their stores or dive centers. In this case then, a SSI instructor cannot offer scuba diving training as an independent person.

The shop that im going to take a dry suit course offers both padi and ssi . Im an advaced padi diver. They let me take home both the books and after reading through i wasnt happy to learn that padi teaches to use the drysuit as a bc. My dry suit says right in the manual not to use the dry suit for buoyancy control.
