*Automotive Service Manuals, Shop Manuals, Repair Information*

See, for a long time I was pushing online repair manuals from Alldata and Mitchell1. I made some money, and in all fairness, they have a great product. The online manuals gave excellent repair information, had the exploded views and wiring diagrams that I needed to fix my car plus kept me up to date on recalls and TSB information.

The auto repair manuals described above are for late-model vehicles. If you have a classic car or truck, you might think your only recourse for finding service information is scouring swap meets and flea markets, only to find old tattered, oil stained manuals with half the pages missing. But there's no need for that, we can offer you print ...
