### 2010 Nissan Altima Hybrid review after 100,000 km or 60,000 miles

What the hybrid drive system malfunction warning light means. Most automakers include a warning light to let the driver know of any problems with

the hybrid system. Hybrid drive systems are complex, so the light can come on for a variety of reasons. If the light comes on while driving, you should pull over safely and shut off the car for a few ...
