*(PDF) An integrated narrative nursing: toward a new health ...*

The nursing profession is and has been experiencing what is often described as an unendurable shortage of clinical nurses. Organizations are having difficulty recruiting new nurses and retaining current staff. 1 The U.S. Bureau of Labor Statistics predicts the demand for registered nurses to grow from two million to 3.2 million between 2008 and 2018, a 60% increase.

*On specialization in nursing : toward a new empowerment ...*

In a nursing mentorship, a more experienced nurse acts as a guide, expert and role model for a new or less-experienced nurse. Whether you are a new graduate from a BSN program or a seasoned pro, a mentoring relationship can help you develop new skills and advance your career.

*Mentoring Nurses Toward Success - Minority Nurse*

Even with a shared set of values and behaviors, we cannot underestimate the nurse's attitude towards: others, their patients, their co-workers, and the organization they work for and towards the profession of nursing.

Mentoring Nurses Toward Success. Mar 30, 2013 | Magazine, Nursing Mentorship. Perhaps you are a newly graduated nurse. Maybe you're an experienced nurse assuming a new position. Or perhaps you're looking for a little guidance as you investigate new nursing roles. What all of these situations have in common is a need to learn the ropes of a ...

*Nursing Shortage*

Nursing is in the midst of revolutionary changes. How are these changes affecting the profession today—and how are they likely to affect it in the future? For the premier issue of American Nurse Today, we decided to examine current trends in nursing and healthcare, and predict future developments that could influence nursing in years to [...]
