~~What is a PADI Enriched Air Diver Specialty? | Scuba Diving~~

The Enriched Air Diver course, also often referred to as “nitrox,” is PADI’s most popular speciality — and it’s easy to see why. (I’ll use the two terms interchangeably throughout this post.) This simple one-day course can be done and dusted in a matter of hours, and in fact as a “dry course,” it can technically be completed without stepping a single fin underwater — though ...
