local, state, national or international. Your interest can be personal, ethical, social, economic, religious, but it should move beyond what you've studied in other classes and include a connection to public policy.

## Social Policy for an Aging Society: A Human Rights Perspective

For most low-income countries, the impact of ageing on social policy will be rather different. While their population structures are still relatively youthful, the speed of ageing is projected to be very rapid. To date, social policies have tended to focus on the needs of other age groups, such as children, mothers and 'workers'.

## 5 Policy Responses to an Aging Population | The Growing ...

In this entry, social policies refer to policies that affect well-being of individuals and families. They are usually referring to income maintenance policy, educational policy, social welfare policy,

# File Type PDF Social Policy For An Aging Society A Human Rights Perspective

housing policy, and health policy. Aging society refers to a society that has at least 14% of its population aged 65 years or older.

## Government Policies for an Aging Society - Next Avenue

The Health and Aging Policy Fellows Program views health in a broad context which extends beyond just health care. We define health and aging policies as policies that aim to improve the whole well-being of older adults. This can include issues of income security and civic engagement.
