Sociolinguistics An Introduction To Language

This is a classic book on a fascinating subject. Peter Trudgill examines the close link between language and society and the many factors that influence the way we speak. These range from gender, environment, age, race, class, region and politics. Trudgill's book surveys languages and societies from all over the world drawing on examples from Afrikaans to Yiddish.

PDF an introduction to sociolinguistics | eBooks ...
Sociolinguistics is the study of the interaction between language and society. In this classic introductory work, Janet Holmes examines the role of language in a variety of social contexts and considers both how language works and how it can be used to signal and interpret various aspects of social identity. Written with Holmes' customary enthusiasm, the book is divided into three sections ...

An Introduction to Sociolinguistics (Learning About ...
An Introduction to Sociolinguistics for the Language Learner.
When we study languages, we often focus on the language itself.
The grammar, the vocabulary, the pronunciation, and so on.
Sociolinguistics, however, give you the chance to look at the
context within which the language is spoken rather than the
mechanics of the language itself.
