The Beam: Season One was amazing. I only had a vague idea of what it was about before reading, and I'm glad about that now. The characters are so well drawn and developed, the world is rich and full of depth, and the story is multi-layered and works on many levels (adventure, character, philosophical).

relatively soon after the first season left off, but what a difference.

### **The Beam: The Complete Second Season Collection by Sean Platt**

And The Beam itself was a great mystery right from the beginning. But I must s What I like best about sci-fi stories is the feeling when the world feels just out of the reach of my imagination: I feel like I couldn't have come up with this version of future myself, and I'm not quite sure how everything functions — but everything feels believable.
