You try on a dress that looked beautiful in the store window, but feel that it looks awful on you. Does this sound familiar? Well, it doesn't mean there's something wrong with your body. You simply don't dress according to your body shape. But don't worry — we at Bright Side have some tips for you on what to wear to make your body type look its absolute best.

*10 Best Ways To Dress For YOUR BODY SHAPE*

Abstract. The purpose of this research was to provide a critical review of key research areas within the social psychology of dress. The review addresses published research in two broad areas: (1) dress as a stimulus and its influence on (a) attributions by others, attributions about self, and on one's behavior and (2) relationships between dress, the body, and the self.

About The Clothed Body. Dress is everywhere imbued with symbols that reflect different meanings in different contexts. This compelling book convincingly demonstrates how clothing is analogous to a working language and is similarly underpinned by deeper meanings and philosophies.From tattoos and mini-skirts, to skin decoration, makeup and hair, Calefato unpicks the multiple functions of modern ...

*How to dress the rectangle body shape: Flattering clothes ...*

When we put on clothes, we change the shape and outline of our bodies—sometimes profoundly. The silhouettes we adopt are determined by everything from shifting trends in fashion to what looks and feels good. This week, we explore how clothes shape the body and how cultural constructions of the body shape clothes.
