The Companion to Latin American Studies is a book which covers an excellent range of material and will prove to be an essential guide for students and lecturers alike. This book is highly useful: well written, with a clear exposition of ideas, it should provide an ideal course book for students and a resource book for lecturers.

A Companion to Latin American History / Edition 1 by ...
The Companion to the Latin American Novel is intended to underscore literary contributions while offering a broad overview of the novel's history, and a sense of its heterogeneity, highlighting regions whose cultural and geopolitical particularities are often overlooked in general reference or introductory works. This volume should make it evident that there are as many commonalities and differences between Spanish- and Portuguese-language novels as between those of different regions and ...
