What's the story behind the big trees? Hi, I've recently bought The Forest and really enjoy it, but my question is, what's the story behind the big trees? For instance, near the boat on the long island lies a tree that has a special trunk and an effie with a head on it and lots of dead bodies stopping right before the effie.

Sacred trees (also known as spirit trees or big trees) are giant, pale, oak-like deciduous trees scattered across the southern part of the Peninsula. These trees cannot be cut down or blown up. A smaller tree with a charred appearance sits in the middle of the village closest to the plane crash may be a dead sacred tree.

Located at the mid-elevation level of the western Sierra Nevada, Calaveras Big Trees State Park is a prime example of a mixed conifer forest in the yellow pine belt. Giant sequoias dominate ponderosa pines, sugar pines, incense cedars, and white fir. The Pacific dogwood displays white blossoms in the spring.
