THE HEALING HAND intrigues without succumbing to that all-to-tempting penchant many medical history writers have of detailing the most absolutely vile and disgusting medical practices in the world while sacrificing attention to the ones that modern readers will recognize and possibly even relate to. The driving force of Majno's work, one that comes through plainly in his writing, is that he really wants you understand what it is he's talking about.

The Healing Hand Man and Wound in the Ancient World Guido Majno *History of Med.*.

~~The Healing Hand Man And~~

"The Healing Hand" is a generous and detailed history of ancient medicine. Majno, a practising physician and extraordinarily erudite amateur historian, has assembled a detailed account of what is known (and, perhaps, more importantly, what is NOT known) about the medical practises of prehistoric humanity, Egypt, India, China, Arabia, Greece and the Roman world.
