It was a long time ago and few alive now remember what life was like in England in the years after World War II. Yes, the Luftwaffe and Vengeance weapons had made a fine mess in the south of the country, but during the war years the Yanks were there, millions of them, seducing the womenfolk, brawling in pubs, and, most importantly, spending their pay with local shopkeepers.

The Modern Text-Book of Astrology Paperback – July 19 ... It is exactly what the cover says it is--a textbook. Mind you there are certainly newer books which cover more up to date Astro data. However this one is good for people who want a broad perspective and an in depth education on an ancient art form.

Preface It gives me great pleasure to send a few introductory words to this notable work, for such it is. It is a considerable time since a new text-book on astrology has appeared in Great Britain. On examination the reader will appreciate that this is, in the best sense, an ambitious work, designed to set a fresh and higher standard of astrological achievement in text-books.
