What Buddhist burst of contemplation led Julien Gracq to write this strangely atypical historical fantasy? The Opposing Shore is set in the Venice-like maritime state of Orsenna which faces, across a strait, the Muslim kingdom of Farghestan. We follow the young, ambitious Aldo, who signs up with the Signory to be sent to Syrtes, in the dour old Admiralty fortress which reminds Orsenna that, after three centuries, it is still technically at war with Farghestan.

hi, just wanted to let you know that turtle point press has published reading writing by julien gracq (which is not a novel but a book about his favorite novels as well as a catalog of various complaints). i translated it based on the josé corti edition as well as the pléiade (i included notes but in the end my editor eliminated them). this was not a labor of love but a labor of blood sweat ...

### **Julien Gracq - Wikipedia**

Julien Gracq's prose is best read slowly and savoured, he lingers in his descriptions and elaborates each thought with ever richer examples which hone and decorate his meanings. The plot progresses organically and instinctively like a dream unfolding and revealing episode by episode the destructive inclinations of late civilization consciousness.

### **The Opposing Shore by Julien Gracq - Goodreads**

The Opposing Shore is a 1951 novel by the French writer Julien Gracq. The story is set at the border between two fictional Mediterranean countries,

Orsenna and Farghestan, which have been at war for 300 years. It is Gracq's third and most famous novel. It was awarded the Prix Goncourt, but Gracq refused to accept the prize as a protest against commercial compromising in world literature. The novel has been described as a "Wagnerian prelude for an unplayed opera" as it doesn't focus on telling a
