The first of a trilogy, The Strain is everything you want from a horror novel--dark, bloody, and packed full of mayhem and mythology. But, be forewarned, these are not like any vampires you've met before--they're not sexy or star-crossed or "vegetarians"--they are hungry, they are connected, and they are multiplying.

THE STRAIN is a great book one in the Strain Trilogy; I ordered book two after the first 125 pages. Authors Guillermo Del Toro and Chuck Hogan, already recognized in the fantasy world, pull off a greT story. One of the best books I have read in awhile. It is a vampire book....don't leave ...different and good and chilling in its acceptability.
