*The Success Principles: How to Get from Where You Are to ...*

Success Principles . 1 - Prepare. The first success principle is preparation. It's the foundation of success. With preparation you create your own opportunities. Once you have all the different elements lined up, it only takes a small opening to realize your goal. At the same time, taking advantage of big opportunities without enough preparation means risking your success, as you're building without a well-laid foundation. 2 - Do something you love

*The 15 Success Principles You'll Never Want To Forget*

The Principles Always Work If You Work the Principles All of these same results are also possible for you. I know for a fact that you, too, can attain

unimagined levels of success. Why? Because the principles and techniques always work—all you have to do is put them to work for you. A few years ago, I was on a television show in Dallas, Texas.
