Black History Month: Triumph of the Human Spirit Context  
Triumph of the Spirit is a 1989 American biographical drama film directed by Robert M. Young and starring Willem Dafoe and Edward James Olmos. The screenplay was inspired by true events. The majority of the film is set in the German Nazi death camp at Auschwitz during the Holocaust and details how the Jewish Greek boxer Salamo Arouch was forced to fight other internees to the death for the SS guards' entertainment. Prior to Triumph of the Spirit, no major feature film had ever been shot on locat

Triumph of the human spirit - Telegraph  
Even in the most insurmountable odds, the triumph of the human spirit can prevail. It takes a little ass-kicking and some serious inspiration to make that. There's no one word to describe how events so contradictory and yet so meaningful meld into a full 72 hours of a human experience. Heart. Struggle. Love. Triumph. Yeah ... something like that.
