Beyond the idea that NASCAR would be run by someone else for the first time in more than 70 years, it's intriguing to ponder who might be willing to buy. Let's take a quick look at the ...

Look Who's Buying and Selling - TheStreet

But for anything that is really a household name or trades on a U.S. index, most of the time there's just enough buying, selling, and liquidity going on that there's always somebody out there.

Who's Buying? Who's Selling?: Understanding Consumers and ...

Moreover, recent buying and selling pressure has been amplified by systematic flows - from risk parity, CTA and long/short hedge funds - rather than massive shifts from retail investors. Indeed, it seems that trend or momentum-based trading strategies are responsible for a substantial part of the selling, while long-term investors, retail and institutional, have been providing support by ...

Karen Firestone: A theory on who's doing all the stock buying
